Fitness Facility and Operational Issues Agreement

1. **No children under the age of 12 will be allowed in the facility. NO ACCEPTIONS.**
2. 12-16 years old are allowed within the facility but **MUST BE CERTIFIED** by our facility instructors. They must schedule an appointment in order to be certified. They are only allowed to be certified for the cardio machines and the weight machines. They cannot be within the free weights area.
3. If a child does not meet the criteria as established by the trainer in regard to their ability to safely use the equipment, they will not be certified and not able to use the equipment.
4. If you are certified, you will be given an armband saying GreatLife. You must have this armband on anytime you are in the fitness center.
5. We will also have a roster placed on the bulletin board and on the trainer's desk as well as the front desk in the pro shop with all the names of children who have been certified to use the equipment and be in the fitness center.
6. There will be no horse-playing of any kind in the facility.
7. Key FOBS will be given to all adults and certified children to track the individual use of the facility.
8. Ultimately the parent or guardian will be responsible for the child's behavior, and if they don't comply the parents or the guardian's membership will be revoked.
9. There will be no open containers (i.e. cups without lids and with lids). Only bottles with screw tops or pop up tops are approved.

These simple rules are to protect you, the member, as well as us, as GreatLife Golf and Fitness. We don't want any of our members, especially children, to be injured within our facility, due to it being a big liability to the club.
